

NMR User Reminder

1. Make sure to keep your reservation time

- if you are not using the device at the scheduled time, make sure to cancel your reservation

2. Please allow the overnight experiment to start after 10 p.m. and end before 10 a.m. the next morning

3. Do not change the default settings of the machine

4. Take the experimental wastes such as tubes, gloves, etc. to each lab for treatment (Just throw the wipers in the trash can in the NMR room)

5. Make sure to fill out the logbook correctly

- fill out the start and end time as online booking time (not real time)

6. Use the device with special care, and if there is anything special, write it in the logbook and let the administrator know

7. Please check the announcement on the homepage frequently

- Get help from Koreans in your lab

*** We're recording CCTV all the time**
